Dear Mr Trodder,

I enclose my cheque for
in payment for work carried out
on the 7th August.

I want to say thank you for
the manner that your firm dealt
with my problem.

I am especially grateful to James,
when he came and arranged to
deal with the insurance company he
really gave me peace of mind, + I
had a good night's sleep that night,
the first for days.

I also would congratulate you on
an office staff who were very pleasant -
and a lovely pair of chaps who did
the repair work necessary with such an
efficient and happy manner. I certainly
will recommend you to anyone who needs
a job doing promptly + efficiently. Yours truly
with thanks H M Moody
